Where Can I Park?

Unregistered vehicles may be towed (at the owner’s expense), if parked in University parking facilities in violation of these rules and regulations. No student parking is permitted in the Commuter lots or parking decks from 2 a.m. – 4 a.m., seven days a week. Additional student parking restrictions are listed on the back of this map. The map is for general guidance only.

Student Parking Information

A. Vehicle Registration

1. General: All students are required to register their vehicles in the Parking Office and are considered students residing in off-campus housing with at least 28 hours of residence per week, unless otherwise noted on the sign. Vehicle registration is required and permits are issued in the name of the owner of the vehicle. Each vehicle must be registered and must be accompanied by the vehicle's license plate number. The vehicle license plate number is issued on a weekly basis. The vehicle license plate number issued on the Tuesday of each week is used by the Parking Office to verify the registration of vehicles. The vehicle license plate number is used by the Parking Office to verify the registration of vehicles. The vehicle license plate number is used by the Parking Office to verify the registration of vehicles. The vehicle license plate number is used by the Parking Office to verify the registration of vehicles.

2. Vinyl Permit Holders: Permit Holders are issued vinyl parking permits. The permit holder must notify the Parking Office of any changes to the vehicle or the permit holder. The permit holder must notify the Parking Office of any changes to the vehicle or the permit holder. The permit holder must notify the Parking Office of any changes to the vehicle or the permit holder.
